Interscholastic Athletics Parent Contract

One of the goals of the interscholastic athletic department at Cazenovia is to make the athletic experience a positive one for the athletes, the parents, and those who choose to watch our teams perform. To achieve that goal we must all work together and support each other.

In effort to facilitate that we ask that each parent/guardian read the following guidelines regarding their role as a parent/guardian of an interscholastic athletics participant. If your child will be playing a fall sport, please print and complete this form and return it to the Athletic Office, Cazenovia High School, 31 Emory Ave., Cazenovia, NY 13035. By signing this contract you are demonstrating your support for the sportsmanship initiatives being undertaken by this department.

1. As a parent I recognize that it is vital that I support the efforts and decisions of the coaching staff. In the event I have a question regarding my child's role on the team I will communicate those concerns to the coach in a respectful and timely fashion (not immediately after a game when emotions are high).
2. As a parent I also recognize the importance of being a positive role model. Therefore, I agree to conduct myself in a manner consistent with the dictates of good sportsmanship at all contests, both at Cazenovia as well as opposing school sites. I agree to cheer in a positive fashion for outstanding play and will refrain from criticizing the efforts of the officials, the players (both teams), and the decisions made by the coaches.
3. Attendance at practice is a priority for all team members. As a parent/guardian of a team member I will make every attempt to assure that my child will be able to attend all practices and contests.
4. I will support and endorse all the rules, policies and procedures discussed in the Student/Parent Athletic Handbook.
